

## Bottles

If anyone CAN - we CAN!

# Bottles

## Perfectly fitting bottles with a broad product spectrum

The benefits of bottles „made by Pirlo“ at a glance:

- Special programme for cooking oil bottles with plastic spouts in various volumes
- Good residual emptying, resealability and tamper seal
- Funnel bottles with screw caps
- With and without hazardous products certification
- Also available varnished inside
- Various closures/spouts (child protection)
- Unique cooking oil spout: compatible with automated sealing machines
- Various top-end geometries (DIN-opening and REL-opening)

Our experts will be happy to help you with any questions you may have pertaining to bottles and spouts. Special can sizes are possible on request.

### Legend

- = Standard (samples available)
- ▲ = Standard UN hazardous goods certificates (hazardous goods packaging, send samples for UN hazardous items without certificates)
- △ = Special sizes, samples and minimum quantities on request
- <sup>2</sup> = Also available with BPA-NI varnish inside
- = Stock items (grey) also in smaller quantities available
- REL = Residual emptying
